

Dearbought Community Association

Board of Directors

Dear Members of the Dearbought Community,

I hope you are enjoying the amenities of the neighborhood: the pool, trails, tennis courts, and tot lots. Your monthly assessments ensure their maintenance and upkeep. More important than assessments in defining a neighborhood is its people. We have individuals committed to serving the Dearbought Community through their time and talents. Members of the Social Committee plan over a dozen community events per year. We have an Architectural Review Committee certifying that community standards for construction and modification are met. Our Communications Committee works to keep us informed through the sign board, the Yahoo groups, and the Dearbought.com website. Without these individuals, our community would not be first rate.

Equally important are the individuals who represent the DCA membership on the Board of Directors. This 2017 election season, three (3) Director Positions are up for election. Included you will find a nomination form that you may complete and send to our management company at the address on the form. Each returned application will be evaluated by a nomination committee to be named at the September 25, 2017 meeting of the Board. The Nomination Committee shall not make any subjective determinations regarding the suitability of an applicant to serve as a director, but shall restrict its role to:

1. Receiving timely applications from candidates for nomination.
2. Determining that applicants who are Members of the Association are current in their dues or assessments and have no outstanding actions recorded with the Managing Agent.
3. Determining that required candidacy statements and recommendation forms have been correctly completed and submitted.

If an applicant has satisfied items 1-3, the Committee shall nominate the applicant.

The Annual Meeting will be Monday, October 30, 2017 at 7:30pm. The meeting will take place at the Pool house located at 100 Eli Court, Frederick, MD. 21701.

Like last year, there will be a "Meet the Candidates" event for candidates nominated by the committee. The format and timing for the event will be determined at a later date and held in October. This event will be open to all Members of the Association. If you have any questions associated with the nomination form or the procedure to be followed contact Tom Van Pelt at TMGA (TVanPelt@tmgainc.com).
