

A Petition to the City of Frederick Department of Public Works, Traffic Engineering Division, Requesting the Completion of a Traffic Calming Study Within the Dearbought Community and Environs

Dear Mr. Earl Reed, Director, City of Frederick Department of Public Works
 Mr. Neil Parrott, Deputy Director, City of Frederick Department of Public Works
 Mr. Donnie Lawson, City of Frederick Department of Public Works

Gentlemen,

We, the undersigned residents of the Dearbought community, located in Neighborhood 4 of the City of Frederick, respectfully request that the City Department of Public Works begin a review and study of possible solutions with regard to traffic calming within the streets of our neighborhood. We understand that this petition is only a request to begin a study, and is not an endorsement of any recommendations that the City may develop, and that future petitions will be circulated to determine the levels of support for such recommendations that may be forthcoming.

Respectfully,
